

Il décide de prendre le large...

Léon vogue jour et nuit...
Les yeux rivés sur l'horizon...
A l'affût...
Mais en vain...

A stylized sun with rays in the upper right corner of a purple-tinted landscape. The sun is depicted with a bright yellow center and several curved, white rays radiating outwards. The background is a deep purple with a subtle, repeating geometric pattern. The foreground shows a dark, textured ground surface, possibly a field or a path, with some small, dark shapes that could be rocks or plants.

Pas la moindre parcelle de terre !
